INTRODUCTION

We are pleased to announce **the 5th L.I.F.E.-System World Congress**, organised by **Quantaform International** in partnership with **Harmonic Energetic Technologies, inc. (H.E.T.)**, on 25 and 26 October 2025, as well as a one-day workshop on Monday 27 October at the Saint Paul Hotel, Nice – French Riviera.

Every two years, this international event brings together more than 200 professionals from five continents to discuss bioresonance, biofeedback and new wellness technologies.

If you are a healthcare professional, L.I.F.E.-System practitioner or student, this congress is for you. Don't forget to register and spread the word.

This communication kit has been designed to help you easily promote this Congress.

It contains ready-to-use tools: visuals, message templates, logos, charters, banners, brochures and printable materials.

The objective:

- To ensure a unified, consistent and professional image
- To raise awareness of your commitment and the event
- Maintain strong cohesion within the international L.I.F.E.-System and well-being community

We encourage you to use these resources on your social media, in your emails, in your printed materials, and with your partners.

Follow this link to the official conference page with all the information and registration details.
